

Debra Chase has been teaching the gifted students in the Horton District for 11 years. She previously worked in the Hiawatha/Horton districts as a Para with the speech pathologist for 3 years, before finishing her masters in gifted education.

As a stay at home mom 26 year ago, Debra has grown in the adventures of life through her children. Her oldest daughter, Jennifer, is now 27, married and has given Debbie and her husband, Steve a wonderful granddaughter, Addyson, who is now two. In January, Addyson will welcome a new brother or sister. Grandma and Grandpa can't wait to have their house filled with more love and laughter!

Debbie's stepdaughter, Michelle, is 25 and travels around the United States, dealing poker at various events. She is now living in Las Vegas, after dealing at the "World's Series of Poker" event.

Justin is her oldest son. He lives in Houston, TX and is a police officer. Their youngest, Jerry, is a senior at Sabetha High School and participates in many athletic events that they enjoy attending. He is active in cross country, basketball and golf.

When Debbie and her husband are not busy traveling to their children's events, they enjoy golfing, remodeling their home, and spoiling their granddaughter as much as they can!
