

I am Gera Cochren. I work at Horton Elementary as a special education instructor for third and fourth grade. I am married to Lucas Cochren and live south of Whiting on a small farm. I have two daughters, Dawson, which is 2 and Chesnea, which is 7 months. I graduated from Kansas Sate University and currently I am working on my adaptive special education degree from Emporia State University. In my free time I enjoy cheering on the K-State Wildcats, playing sports, scrap booking, spending time outside, and just being a mom.
